

Virtual Adult Storytime

Theme: Elvis

The purpose of the Virtual Adult Storytime is to provide older adults in the Wadsworth Community with content to facilitate sharing and reminiscing during a time we cannot meet in person.

Story/ Book (People of all ages benefit from hearing stories read aloud. For older adults it can be a chance to stir memories and use their imagination)

“Elvis is King!” by Jonah Winter

“Tell Me a Story” Pictures (A picture can truly say a thousand words; the pictures included here can spur older adults to remember and even be creative in describing a story from the image. After prompting them, let them become the storytellers)

Use leading statements and questions such as:

“What is happening in this photo?”

“Who has seen this before?”

“Tell me if you had one of these?”

“This one is funny.”

Etc.

Video Links (These are provided for enrichment of the theme. Music, dance, etc. enrich auditory, visual, and memory in older adults. Entertainment and engagement are enhanced with these tools)
