

Welcome to Fourth Grade!

In fourth grade, **we are challenging students to take a walk in other's shoes by reading 5 diverse books.** Books can transport us into different worlds and perspectives that teach us new respect for others and deeper appreciation for our own story. **Understanding others helps to build a shared sense of community strengthened by the many differences that make each of us unique.** And walking a mile in another's shoes can stimulate conversations that help us all to better understand our values, history, experience and our community's shared aspirations.

Since everyone is unique, we ask that you choose books that are diverse to you. Log all five and visit the library by April 30 after you have completed the challenge to receive a **certificate of completion and a free book!**

Call 330.334.5761 or visit www.wadsworthlibrary.com/read-diverse to register.
